## A Message from Assistant Principal Karen Marroquin Kim

Our second semester is in full swing and the days seem to be flying by. Before we know it summer will be upon us and we will be reminiscing about another wonderful year at Welby Way. I would like to take this time to remind our students and parents about our behavior expectations. By now, our students have become very comfortable with one another, and we want to remind our students to always be respectful and make safe decisions on the yard. I'd like to encourage us all to remind our children about treating others with respect and kindness. Even when things don't go the way they would like them to, students must always try to remain calm and seek the guidance of an adult before letting our emotions override our actions. We appreciate being able to work together to keep our campus safe and your children are our number one priority.

Our Welby Way staff will focus on specific goals for the second semester. We are committed to continue working in the following areas:

- Continue promoting a positive school climate focusing on respectfulness, teamwork, positivity, kindness, taking initiative, perseverance,

leadership, developing a growth mind set, and being an exemplary role model, especially when no one is watching.

- Continue to align our curriculum, materials, lessons, and professional development to our Common Core and Next Generation State Standards.
- Provide parents with information regarding standards and shifts in the curriculum.

In short, we will continue providing the climate and culture necessary for all our students to succeed in the 21st century. We thank you for your continued partnership in helping us achieve these goals while providing a safe campus for us all!
